## **2) Pop-Ups / Open Mic with Dave / Dances / more . . .**

**Pop-Ups** have been popular! In 2020 our last outdoor show was December 13<sup>th</sup>. We opened the 2021 outdoor season on March 27<sup>th</sup>. Hope for a solid 9 months of outdoor concerts in 2021!

**Pop-Ups may be outdoor concerts, indoor or outdoor open mic, special events, and DANCE PARTIES!**

We installed an awesome disco ball and pro DJ's are ready to mix it up for a dance venue that is fun, funky and fancy. Open to any themes and input, and we hope to host live contra dances as well.

**Open Mic with Dave** may be indoor or outdoor. It's community-based and supportive, always has great talent, and always welcomes all ages, levels, and styles - and poetry, drama, and more. We provide power and we sterilize mics between performers. You are welcome to bring your own mic.

**Full Moon:** We may also have some spectacular **Full Moon** events - Check Facebook for the latest!

### **General rules:**

**Everyone is welcome and most events are donation-based.** Please give generously if you can so we can continue to offer this awesome music venue to the community. Based on experience, expenses are ~\$10 on AVERAGE per person. Everyone is always welcome at the Grange regardless of current ability to pay. **We welcome cash, checks and Venmo.**

**You can bring food and drinks.** Consider this a mini-Tanglewood, with a neglected lawn 😊. Bring chairs or a blanket if you can, but we always have chairs available, probably 200 if needed(!). Stop by anytime if you see something happening. **Please plan to carry in and carry out – we have no trash collection.** **These events are all ages and abilities.** Some members of our community have health conditions that may not be visible. Please, no loud foul language and no smoking in the main viewing area.

**We abide by all public health recommendations. We are all volunteers. Our Grange is Your Grange.**
